Subject: Dimock Roll-Out and Fact Sheet---DRAFT ONLY

Hi Ron...Attached are very rough/initial drafts of the roll-out plan and fact sheet. Shawn plans to try and get HQ approval tonight and he wants us to send a note to the residents tomorrow letting them know that we plan to be in the community to do the surveys. A few suggestions:

- Our preference is to not send the note to the residents until we hear back from DEP/Cabot
- Our suggestion is to send the fact sheet to the residents at the same time we send to press and elected officials (see time line attached)

Also--Humane wants us to share a draft fact sheet with her to use in her work. Do you want me to do that now or wait to hear from Shawn? If we send to Humane, I would also want to send to the rest of the team to comment. **Please advise.**

Let me know what you hear back and if you need anything else today.
